Medical Education

Penza State University Medical Institute, Russian Federation

09/2017 - 07/2023

M.D., 07/2023

Postgraduate Training

None

Honors & Awards

- No Alpha Omega Alpha (AOA) chapter at my school
- No Gold Humanism Honor Society (GHHS) chapter at my school
- Society Pride Honor
Community/Service Recognition - Awarded for selfless service, kindness, and significant positive contributions to the community.
Received: Jul, 2024
- 'Man of the Match' Award, University Cricket Championship
Other honor or award classification - Named most valuable player during the championship final.
Received: May, 2023
- Chevalier Group of Medical Science Merit Scholarship
Scholarship - Awarded \$500 scholarship for top academics and high score on the Annual Grand Test.
Received: Apr, 2022
- First Place, Annual University ECG Interpretation Competition
Academic Excellence - First-place winner in a university-wide ECG interpretation contest against 100+ students.
Received: Apr, 2021
- Academic Distinction in Pharmacology
Academic Excellence - Achieved top-percentile ranking for academic performance in Pharmacology.

Curriculum Vitae

Received: Feb, 2021

- Academic Distinction in Physiology
Academic Excellence - Recognized by faculty for outstanding academic performance in Physiology.
Received: Jun, 2018

Professional Memberships

- American Academy of Family Physicians (AAFP) — #12029805
- American Medical Association (AMA)
- Gujarat Medical Council (GMC) — #FMG/G-97025
- Indian Medical Association (IMA)
- Western India's Society of Russian Medics

Hobbies & Interests

- Chasing sunset glows, the winterline, and stargazing above 10,000 feet.
- Adrenaline seeker: paragliding from mountain peaks and rafting through wild white-water rapids.
- Losing myself in the rhythms of Garba, a Gujarati folk dance.
- Exploring the science of longevity and healthy aging.

Certifications**Other Certifications:**

Advanced Cardiovascular Life Support (ACLS): May, 2026 - May, 2028
Basic Life Support (BLS): May, 2026 - May, 2028
EMT Foundation - Coursera: Sep, 2022
Generative AI for Healthcare - Google: Feb, 2026
Good Clinical Practice (GCP) - NIDA Clinical Trials Network: Nov, 2025
HIPAA Compliance Training Program : Aug, 2026
Imaging in Medicine - The Open University: Sep, 2022
Longevity Medicine 101 - Longevity Education Hub: Nov, 2025
Medical Billing and Coding: ICD-10 and ICD-11 - Alison: Sep, 2026
Point of Care Ultrasound Fundamentals Certificate - POCUS Certification Academy: Jun, 2026
Startup & Innovation in Healthcare - GCS Medical College Hospital & Research Centre: Jun, 2024

Experiences

Curriculum Vitae

Clinical Extern (Inpatient & Outpatient)

Houston Methodist West Hospital / Bear Creek Pediatric Clinic
Education/training

06/2025 - 07/2025
Houston, TX

- Completed a 4-week inpatient & outpatient rotation under Imran Baig, MD
- Attended I-PASS sign-outs, reviewed overnight changes with nursing staff, and performed chart reviews, histories, and physical exams for 2–3 patients daily using EPIC
- Presented cases to residents/attending, discussed A/P with patients/families via phone, and coordinated discharge planning
- Flagged a high-fiber meal worsening diarrhea in a patient during rounds; coordinated meal change with attending & RN
- Performed rapid strep testing and vision screening (Snellen, HOTV charts) in pediatric clinic; assisted in well-child checkups & vaccines
- Adapted communication with child & parents; addressed concerns, provided reassurance, and eased anxiety during checkup

Most Meaningful:

My first U.S. clinical experience changed how I practiced medicine. I learned to apply guidelines and data-driven practices through a systematic approach to patient care. This experience strengthened my decision to pursue residency training in the U.S. healthcare system.

Clinical Research Collaborator (Epidemiology and Health Economics)

Research Collaborative at AB Plus Multi Speciality Hospital
Research

03/2025 - Present
Ahmedabad, India

- Collaborator in a multi-institution India-US research group producing population-level epidemiology and health economics studies using Global Burden of Disease 2023, CDC WONDER, and World Bank data
- Contributed to:
 - Data extraction
 - Trend analysis (annual percent change, segmented regression)
 - Value-of-lost-welfare modeling
 - Figures and abstract drafting
- Co-authored 10 abstracts across hematologic oncology, infectious disease, rheumatology, cardiology, and IBD
 - 2 published (SOHO 2026)
 - 5 accepted (IDWeek, ACR, AHA Hypertension 2026)
 - 3 under review (ASH 2026, Crohn's & Colitis Congress 2027)

Most Meaningful:

Our IDWeek 2026 study of antimicrobial resistance's economic burden (US\$835B attributable welfare loss) drew media coverage and earned our presenting author a Guerrant International Travel Award, a shared team win. It showed me how teamwork turns data into policy-relevant evidence.

Rotational Clinical Intern (Inpatient, Outpatient, ER & OR)

GMERS Medical College & Hospital
Work

01/2024 - 05/2025
Gandhinagar, India

- Worked as an intern, then a junior resident in a 700-bed academic public hospital
- Saw 70–80 outpatients in a 4–5 hr OPD shift and managed 20–30 inpatients
- Conducted rounds, monitored progress, counseled patients/families, & coordinated care with multidisciplinary teams
- Managed MI, asthma/TB exacerbation, DKA, HF, burn, trauma, and stroke
- Ran Code Blue/Code FAST, leading thrombolysis and advanced life support
- Performed skin biopsies, cautery, circumcision, closed reduction for dislocations, and I&D of abscesses
- Assisted ~15 ND/CS daily in OBG unit; took Pap smears and inserted PPIUCD
- Taught medical students suturing, scut sheet, triage, EKG, handovers
- Contributed to research on COPD risk factors and yoga in postpartum care

Curriculum Vitae

Most Meaningful:

From the study table to the bedside, I realized decisions matter more than answering textbook questions. I learned to take responsibility and act in situations not written anywhere. This experience helped me grow from a student into a responsible physician.

Clinical Extern (Outpatient)

New York Presbyterian Brooklyn Methodist Hospital
Education/training

08/2026 - 09/2026
Brooklyn, NY

- Trained under Roosevelt Cherubin, MD, for 4 weeks
- Managed about 20–25 patients daily; documented visits and handled clinical workflows using EPIC
- Assessed a newly hypertensive patient with obesity and undiagnosed sleep issues; suspected OSA, later confirmed by sleep study
- Managed patients with multiple conditions and complex medications, including CHF/COPD, and explained treatment plans in simple terms
- Counseled patients on nutrition, LDL reduction, vitamins, vaccines, cancer screening, and the Drug Rehabilitation Center, helping build trust and encourage long-term preventive care
- Co-authored a poster, Leukemia Mortality Among Patients With Substance Use Disorder in the United States, 1999–2020

Clinical Extern (Outpatient)

SUNY Downstate/Central Brooklyn Physician
Education/training

08/2026 - 08/2026
Brooklyn, NY

- Completed a 4-week outpatient externship under Margaret Donat, MD (PD)
- Saw 15 patients daily; documented HPIs, ordered labs, adjusted medications, and scheduled follow-ups using eClinicalWorks EMR
- Performed Buerger's test for PAD and Apley scratch/Gerber lift-off tests to assess adhesive capsulitis and ROM in diabetic patients
- Supported the PA with POCUS studies, including echo and Doppler
- Assisted with vaccinations, Pap tests, and preventive screenings (PHQ-9, Cologuard, DEXA)
- Called patients with lab results and used EPOCRATES for medication reference, strengthening continuity of care & clinical decision-making
- Delivered a presentation on COPD management using NNT/NNH data for triple therapy and PDE-4 inhibitors

Clinical Extern (Outpatient)

RWJBarnabas Health, NJ Primary Care
Education/training

07/2026 - 08/2026
Jersey City, NJ

- Worked with Prahlad Gadhavi, MD, for 4 weeks
- Assisted 20–30 patients daily in a cross-cultural primary care clinic; wrote HPIs, updated charts, reconciled meds, A/P in EPIC
- Performed Dix-Hallpike/Epley for BPPV; detected AFib via irregular rhythm on exam, confirmed with EKG; assisted in suture removal & nasopharyngeal swabs
- Identified erythema marginatum (Lyme), tinea pedis, HSV lesions, shingles
- Adapted communication for patients with ADHD, autism, and depression; taught home PT for MSK pain
- Gave preventive counseling on travel medicine, STD screening, & weight management
- Trained colleagues on EMR workflow and referrals
- Linked a patient case to a community Cyclospora outbreak; taught preventive steps to stop its spread

Clinical Extern (Inpatient & Outpatient)

St. Joseph's University Medical Center & GANJ
Education/training

06/2026 - 07/2026
Paterson, NJ

Curriculum Vitae

Clinical Extern (Inpatient & Outpatient)

- Worked closely with Parthiv Raval, MD, for 4 weeks
- Managed outpatient intake for 25 patients daily: took histories, did exams, & explained tTG-IgA, biopsy, and scope results
- Documented procedure notes in Oracle Cerner EMR using DRAGON dictation, including image selection and report generation
- Participated in rounds and presented cases of NAFLD, diverticulitis, & celiac disease; caught umbilical hernias & fibroids on exam
- Attended about 30 EGDs/colonoscopies, identifying colon/pseudo polyps, UC, hiatal hernias
- Co-authored a poster on Economic Burden of Antimicrobial Resistance in 2021 (Best Abstract Award at IDWeek)
- Gave clinical reassurance on colonoscopy procedures to ease phobia; applied & learned ICD-10 coding/billing

Volunteer Medical Officer — Rural Mobile Clinic

IGF Foundation & Family Adoption Program

10/2025 - 05/2026

Volunteer/service/advocacy

Ahmedabad , India

- Joined an NGO-run mobile clinic effort, delivering quality healthcare to low-socioeconomic communities
- Led team in clinic-site setup, medication stocking, and finance; evaluated 80–120 patients/day
- Documented history, complaints, vitals, and treatments in IGF's own EMR
- Addressed vaccine myths; managed dog/snake bites, ulcers; performed wound care/dressings; gave rabies/Tdap PEP
- Distributed sanitary pads and iron folic acid tablets, counseling on menstrual hygiene and anemia prevention
- Went door-to-door, educating on hand hygiene, mosquito nets for vector-borne disease, and the importance of newborn vaccination
- Trained local health volunteers; conducted school/community health workshops on a balanced diet

Clinical Extern (Inpatient & Outpatient)

UChicago Medicine AdventHealth GlenOaks

08/2025 - 09/2025

Education/training

Glendale Heights, IL

- Worked for 4 weeks with Mohammed Shakaib, MD
- Followed 2–3 inpatients daily: attended morning rounds, tracked chart/lab changes, & reviewed consultant recommendations
- Managed 17–20 outpatient visits daily: assessed edema & pruritus, reviewed BUN, Cr, eGFR, K+, and documented findings in CureMD EMR
- Presented cases to attending/students, identified Jardiance as contributing to rising Cr in a pneumonia patient; explained to students
- Taught dialysis patients about fluid intake, kidney-friendly diet, fistula/AV site care
- Delivered afternoon presentations on CKD staging, hyperkalemia, metabolic acidosis, EPO therapy
- Reviewed renal USG/path reports & explained lupus nephritis, FSGS, and DM nephropathy findings to patients and families

Clinical Extern (Outpatient)

Rush University Medical Center

07/2025 - 08/2025

Education/training

Chicago, IL

- Completed a 4-week primary care rotation with Cedric Coleman, MD (AP)
- Managed 10–15 patients daily; took detailed history (social, medications, screenings, vaccines) and vitals; presented cases and documented every detail in eClinicalWorks
- Explained medication adherence for DM, HTN, and hyperlipidemia; gave DASH diet and exercise plans for preventive care
- Sent prescriptions, made voice calls to the pharmacy under supervision, and assisted in wound dressing
- Realized the value of follow-up and holistic support in addressing patient and family needs
- Gave a speech on Autoimmune Polyglandular Syndrome using MKSAP and review articles during daily afternoon sessions
- Learned to apply literature and research data to real patient care
